Annual Latchkey Survey

Indiana Code 20-26-5 (c)2 requires the school to periodically survey parents and see if there is a need for an after school care program at the school. Right now Carroll Consolidated School Corporation does not offer this service because the Carroll County Community Center does.

Members pay \$30 per week and Nonmembers pay \$40 per week for after school care.

Carroll Consolidated provides transportation to the Carroll County Community Center.

1. If the school were to provide this service, the fees would be similar to the community center, so right now we are not moving forward with any plans to provide this service.
