

### **COURSES OF STUDY**

The Board of Education shall provide a comprehensive instructional program to serve the educational needs of the students of this Corporation. In furtherance of this goal and pursuant to law, the Board shall periodically adopt courses of study.

No course of study shall be taught in the schools of this Corporation unless it has been adopted by the Board and approved by the Board. The Board shall determine which units of the instructional program constitute courses of study and are thereby subject to the adoption procedures of the Board.

The Superintendent shall recommend to the Board such courses of study as are deemed to be in the best interests of the students.

Each course of study is intended to provide a basic framework for instruction and learning. Within this framework, each teacher shall use the course of study in a manner best designed to meet the needs of the students for whom he/she is responsible. Any deviation from its content must be approved in accordance with the Superintendent's administrative guidelines.

The Superintendent shall maintain a current list of all courses of study offered by this Corporation and shall provide each member of the Board with a current list of all courses of study.
