

STAFF DRESS AND GROOMING

The Board believes that professional staff members set an example in dress and grooming for their students to follow. A professional staff member who understands this precept and adheres to it enlarges the importance of his/her task, presents an image of dignity, and encourages respect for authority. These factors act in a positive manner towards the maintenance of discipline.

The Board retains the authority to specify dress and grooming guidelines for staff that will prevent an adverse impact on the educational process. It is expected that professional staff members will be dressed in a professional manner and meet a higher standard than that of students.

- a. be physically clean, neat, and well groomed;
- b. dress in a manner consistent with their professional responsibilities;
- c. dress in a manner that communicates to students a pride in personal appearance.
