

SAFETY STANDARDS

The School Board believes that the employees and students of this Corporation, as well as visitors, are entitled to function in an environment as free as from hazards as can reasonable be provided. In this regard and in accordance with law, the Board will provide reasonable and adequate protection to the lives, safety, and health of its employees.

In accordance with State law, the Board will designate safe areas and comply with disaster protection guidelines. The Superintendent shall be responsible for the maintenance of standards in the facilities to prevent accidents and to minimize their consequences. The maintenance supervisor shall conduct periodic audits of health and safety conditions within the facilities of the Corporation in accordance with the Federal OSHA standards adopted by the State, and take appropriate action on any violations thereof to the Superintendent.

The Superintendent shall ascertain that the employees and students of this Corporation are aware of their rights under OSHA standards.
