

PARENT ORGANIZATIONS

The Board supports all organizations of parents whose objectives are to promote the educational experiences of Corporation students. However, in using the name of the Corporation or its schools and in organizing a group whose identity derives from a school(s) of this corporation, the parental organization thereby shares responsibility with this Board for the welfare of participating students.

Any new parent organization desiring to use the name or good offices of the Corporation must obtain the approval of the Board as a prerequisite to organizing.

Representatives and members of approved school related organizations should in all circumstances be treated by Corporation employees as interested friends of the schools and supporters of public education in the Corporation.

Staff members are encouraged to join such organization(s) in their related area(s) of specialization or interest.

The Board relies upon approved organizations to operate in manner consistent with public expectations for the schools and reserves the right to withdraw sponsorship from organizations, which violate the bounds of community taste. Any fund-raising activities shall adhere to that outlined in Corporation Support Organization policy number 9211.
