

MISSION STATEMENT

The mission of Carroll Consolidated School Corporation is to challenge all students to achieve their highest potential, to approach life with confidence and to acquire the skills and knowledge to succeed in a changing, global society.

CORPORATION BELIEFS

- The quality of the future depends on the education of all individuals.
- Learning is a life-long process that enriches our quality of life.
- Understanding different cultures is essential to living in a global society.
- Education is a shared responsibility between the school, parents, and the community.
- A safe, caring, positive environment promotes learning.
- A positive self-esteem enhances personal growth.
- Change in an opportunity to strive toward excellence.
- All individuals have unlimited potential.
- All students can learn in their own unique way.
- High expectations have a positive impact on individual achievement.
- All individuals, regardless of their needs and differences, have equal and intrinsic worth.
