

BUDGET PREPARATION

The Corporation's operation and educational plan is reflected in its budget. Each year, the School Board will cause to have prepared and then review and approve the General Fund, Transportation Fund, Capital Projects Fund, Debt Service Fund, and Pre-School Special Education Fund which constitute the budget of the Corporation.

The budget shall be designed to carry out Corporation operations in a thorough and efficient manner, maintain Corporation facilities properly, and honor continuing obligations of the Board.

The proposed budget requires the critical analysis by every member of the Board prior to approval; once adopted, the budget deserves the support of all members of the Board regardless of their position before its adoption.

The Board directs the Superintendent to present the budget to the Board, along with all available information associated with each Fund, in sufficient time for proper review and discussion and in compliance with Indiana Code.
