

GIFTS, GRANTS, AND BEQUESTS

The School Board is duly appreciative of public interest in and good will toward the schools manifested through gifts, grants, and bequests. The Board reserves the right, however, to specify the manner in which gift are made; to define the type of gift, grant, or bequest which it considers appropriate; and to reject those which if deems inappropriate or unsuitable. If accepted, the Board will attempt to carry out the wishes of the donor.

All gifts, grants, or bequests shall be accepted by the Board and not to a particular school, department, or operational segment of the Corporation. The Superintendent may accept for the Board gifts of lesser value.

Gifts, grants, and bequests shall become the property of the Board and will be subject to use by the Corporation as determined by the policies and administrative guidelines applying to all properties, equipment, materials, and funds owned by the Board.

Any equipment purchased by an organization for use in the school or at a Corporation-related event shall be submitted to the Board, prior to purchase, so it can determine if the Corporation would incur any liability by its use.

The Board reserves the right not to accept such liability and thus deny the use of the equipment by students or Corporation employees.
