3. The term "day" when used in this Article shall mean teacher days (as that term is used in the school calendar). During the summer recess, the term shall mean weekdays (Monday through Friday).

B. Purpose, Grievant, and Representation. An individual teacher, or group of teachers, may present a grievance and may do so through the exclusive representative, and the exclusive representative may thus be given an opportunity to be present at all stages of the grievance machinery. The adjustment of all grievances shall not be inconsistent with the terms of this contract.

The purpose of this grievance procedure is to settle, at the lowest possible administrative level, issues which may arise from time to time with respect to specific claims of violations, misapplication, or misinterpretation of the provisions of this contract. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of

the procedure. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted if the adjustment is not inconsistent with the terms of this contract, and the Association has been given an opportunity to be present at such adjustment meetings.

C. Procedure.

Step One: A grievance may be initiated in one (1) of the following ways:

1. The teacher may approach the building principal concerned and discuss the matter on his own behalf.
2. The teacher may be accompanied by a representative of the Association and in such case the building supervisor shall not initiate any consultation with the grievant prior to any scheduled meeting at which time the representative is to be present.

Step Two: In the event the grievance is not resolved in step one within two (2) days after the grievance is presented to the building principal, the grievant may file a formal grievance in writing with the building principal on the form shown in Appendix "C".

1. The grievance form shall be filed in quadruplicate with one (1) copy for the Association, the grievant and the building principal and the school central office.
2. The grievance shall: (1) name the teachers or class of teachers involved, (2) state the facts giving rise to the grievance, to have been violated or misinterpreted, (3) state the contention of the grievant with respect to the grievance, (4) indicate the specific relief requested, and (5) be signed by the grievant(s) or the Association.
3. The form of grievance should be filed as soon as possible, but any grievance not presented in writing in Step Two within twenty-five (25) days of the time the grievant knew, or reasonably should have known, of the grievance shall be deemed waived and shall not be processed.
4. The teacher may request a meeting with the building principal and the Association representative may accompany the grievant. In any event, within five (5) days after receiving the written grievance, the building principal shall communicate his answer in writing to the grievant and the Association representative and said answer shall be attached to the grievant.

Step Three:

1. If the grievance is not resolved in Step Two, the teacher may, within five (5) days of the receipt of the building principal's answer, appeal to the superintendent, or his designee, by filing the grievance and the principal's answer, if desired, with the Office of the Superintendent, which shall provide written acknowledgment of the filing. Any such response by the grievant shall be attached to the grievance.
2. The teacher may request a meeting with the Superintendent, or his designated representative may accompany the grievant. The Superintendent, or his designated representative, shall give the teacher an answer in writing no later than ten (10) days

after receipt of the written grievance properly filed with the Office of the Superintendent. Such answer shall be attached to the grievance.

Step Four: Within 5 days after receipt of the decision in Step Three, the teacher may request a meeting with the Board and the Association representative may accompany the grievant. The Board or their designated representative shall give the teacher an answer in writing no later than 15 days after receipt of the written grievance properly filed with the Board. Such answer shall be attached to the grievance.

Step Five: Within twenty (20) days after receipt of the decision in Step Four if any, the Association, upon written notice to the other, may submit the grievance to arbitration under and in accordance with the rules of the American Arbitration Association, pursuant to the following procedure:

1. The two (2) parties, the School Board and the Association, shall attempt to select an arbitrator by mutual agreement. If the two (2) parties cannot agree on the arbitrator, or a method of selecting an arbitrator, within ten (10) calendar days after notification is given, the arbitrator shall be selected in accordance with the rules of the American Arbitration Association.

D. Powers of Arbitrator.

1. The arbitrator shall have no power to:
 - a. Add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
 - b. Rule on the termination of services or failure to reemploy any teacher to a position on the extracurricular schedule, or any other position which has a salary bonus or time-off or extra-time bonus.
 - c. Rule in regard to the dismissal of, or the renewal or nonrenewal of any contract for, any teacher.
 - d. Change any practice, policy or rule of the Board or to substitute his judgment for that of the Board as to the reasonableness of any such practice, policy rule or any action taken by the Board, unless such practice, policy or rule, shall be in direct conflict with this Agreement.
 - e. Consider matters outside the scope of the grievance.
2. If either party disputes the arbitrability of any grievance under the terms of the Agreement, the arbitrator shall rule, with the understanding that the part advancing the claim of non-arbitrability may appeal the question to the court.
3. The decision of the Arbitrator shall be final and binding on the Association, its members, the teachers, the employee or employees involved and the Board.
4. The Arbitrator, as a part of this decision, may assess fees and expenses against either the Board or the Grievant, in full or in part, but if the Arbitrator does not so act, the fees and expenses of the Arbitrator shall be shared equally by the Board and the Grievant. All other expenses shall be borne by the party incurring the expense.

E. Other Provisions Relating to the Grievance Procedure.

1. No reprisal of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation.
2. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel file of the participant(s) and are not valid basis for evaluation.
3. Time limits herein may be extended only by mutual agreement, signed by the parties.
4. Time limits herein apply to teachers on leave of absence, other than sick leave, as if such teacher were present and working.
5. All steps of the grievance procedure shall be conducted during non-regular work hours
6. If there is a failure at any step to communicate the decision on a grievance within the specified time limit, the grievant shall then have the right to appeal at the next step of the procedure.
7. Any grievance not advanced from one step to the next within the time limits, shall be deemed resolved by the answer at the previous step.
8. Any grievance which arose prior to the effective date of this agreement or after the termination date of this agreement shall not be processed through the provisions provided by this Article.
9. No teacher shall use the grievance procedure to appeal any decision of the Board or Administration if such decision is pursuant to any order of any State or Federal Regulatory Commission or Agency or any written agreement with such a commission or agency executed prior to this Agreement or any such written agreements not in conflict with this Agreement.
10. There shall be no appeal from an arbitrator's decision if within the scope of his authority as set forth above. It shall be final and binding on the Association, its members, the teacher, the employee or employees involved, and the Board.
11. The Association may file a system wide grievance at Step Three subject to the time limit designated in Step Two, paragraph 3.
12. A grievance may be withdrawn at any step prior to Step Four by the association and/or the teacher, without any official record being kept by the School Corporation.

ARTICLE VIII - TERMS OF AGREEMENT
