

2017-2018 Notice of Dyslexia Screening

This notice is posted in accordance with SEA 217

(<http://iga.in.gov/legislative/2018/bills/senate/217>)

Before July 15th of each school year, each school shall report on their website the following information:

- The dyslexia interventions that were used during the previous year
- The number of students who received dyslexia interventions
- The total number of students identified as being at risk for dyslexia during the previous school year
- This information shall not be provided if fewer than 10 students are identified

Carroll Consolidated School Corporation had fewer than 10 students identified.
