Dear Parents and Guardians,

After consultation with our local health authorities, it has been decided that Carroll Consolidated School Corporation will close as a precautionary health measure against the COVID-19 virus. Carroll Schools will be closed from March 16, 2020 through April 3, 2020.

The general schedule will be:

Monday, March 16th: Teachers Report - No school for students (Apply for waiver)

Tuesday, March 17th eLearning

Wednesday, March 18th eLearning

Thursday, March 19th eLearning

Friday, March 20th No School (Apply for Waiver)

Monday, March 23rd - Friday, March 27th: Spring Break

Monday, March 30th: No School (Apply for Waiver)

Tuesday, March 31st eLearning

Wednesday, April 1st eLearning

Thursday, April 2nd eLearning

Friday, April 3rd No School (Apply for Waiver)

For those who struggle with internet connectivity, Learning Packets will be provided. Your teachers and principals will provide information for the Learning Packets as needed. I will follow this email later today with a short survey to help us better understand who may be having difficulty with internet connections. Additionally, I will be surveying families to see if there is a need to provide lunches at designated drop offs over this extended period of time away from school.

All activities during this time period will be canceled. During this school shut down, our maintenance and custodial crews will be thoroughly cleaning and disinfecting our classrooms and buses. Hopefully this preventative measure to close school will pay huge dividends with our families' health in the long run.

Sincerely,

Keith Thackery
