RE: Updated School Schedules

Dear Parents and Staff Members,

I believe we have gotten off to a great start this school year despite the challenges we have faced with the COVID-19 situation. Looking ahead to **September 28th**, Carroll Schools will begin full day and full week schedules at all our school buildings. The Governor's COVID-19 dashboard continues to show blue and the Carroll Health Department is in agreement that Carroll students can return to school full time.

All staff and students will continue to follow CDC guidelines and any executive orders that may be in place. The learning environment shouldn't change for the elementary. However, with the greater population density in the jr.-sr. high school, students and staff will need to be aware that masks may now be required in areas they didn't previously need them. In the high school, cafeteria areas will be increased to the LGI Room and other areas as needed to allow more distance between students.

Our CCSC staff will continue to monitor the COVID-19 situation and keep you informed if any adjustments need to be made. As always, thank you for your patience and understanding throughout this process.

Sincerely,

Keith Thackery
