RE: COVID-19 Positive Report

Dear Parents and Guardians,

I have an update to my October 23rd COVID-19 report. One additional student from the previously reported quarantined group of students has tested positive. Close contact tracing with this new case has added 5 additional CJSHS students and 2 CJSHS staff members to the quarantine list during this Fall Break. One additional staff member from CES has also been quarantined due to close contact with someone outside the school system. I will continue to keep you informed if more positive cases are reported.

The CCSC COVID-19 Data Board has been updated today. For current statistics, click on the following link:
